Ballymaloe's Wine Cellar and Wine List was started by Ivan Allen over 60 years ago. Deep within the foundations of our historic country house is a cellar stacked with an extensive selection of award-winning wines to compliment any meal. With a strong emphasis on organic, biodynamic & natural qualities, you can enjoy options from a wide variety of regions. Natural wines are produced from organically farmed vineyards using indigenous yeast that contains minimal or no added sulphites, these artisan or low-intervention wines offer a beautifully enhanced purity, vibrancy & vitality, while remaining in line with Ballymaloe's ethos.
